

UPDATE ON H--HAND

Big things are happening! The land is cleared, the groundbreaking is complete, and construction on the new Tomoka Care Center is officially underway! What started as a dream is now taking shape right before our eyes. Each new milestone moves us closer to creating a space designed to expand outreach, enhance care, and make room for even more life-changing impact in our community.

2023: It all began with a dream, to create a space that would make a difference in people's lives and help meet real needs around the world.

NOV 2024: That dream started to take shape as groundbreaking and land clearing began, turning vision into action.

SEPT 2025: With permits approved and the foundation poured, the groundwork for lasting impact was firmly set.

OCT-NOV 2025: The walls are going up! Each step forward brings us closer to a place designed to serve, equip, and send help where it's needed most.

JAN-AUG 2026: We anticipate the building will be sealed in by January, painted by May, and fully completed by August. It will be ready to launch into its mission of changing lives and spreading hope.

We THANK GOD

Your generosity this past year has been an incredible reflection of God's faithfulness at work! As we move toward the halfway point of our Mission On Hand Initiative, we want to thank you for your continued sacrificial giving. Because of your support, what began as a bold vision is becoming reality. Lives are being impacted, and the mission is moving forward in powerful ways.

DREAM GOAL:
\$7,000,000

TOTAL COMMITMENTS:
\$6,122,511.60

RECEIVED:
\$3,457,239.04

ALREADY JOINED THE MISSION? YOU CAN FIND YOUR PERSONAL COMMITMENT PROGRESS ON THE BOTTOM OF YOUR THIRD QUARTER GIVING STATEMENT.
